college students, housing, opportunities for community service, and career help.

Student Affairs offers the following services to students: tutoring and other academic support services, counseling, wellness, and health services, outreach services for current as well as pre-

Through the department of Research and Assessment, programs within the division are reviewed and evaluated on a 5-year cycle.

Each year, programs are required to submit goals in a 6-column model format and are evaluated semi-annually on the progress of those goals.

4. State any increases you received from student fees for 2018-19 (if any), and explain how the increases were/will be used.

All funds received last fiscal year (\$15,354) were used for salary and benefits for the Finance and Data manager position.

5. Describe any increases you are requesting from student fees for 2019-20 and explain your <u>justification</u> for the request. Each requested increase must be listed and described in your narrative (e.g., compensation, new positions, wage increases, travel, new programmatic initiatives, etc.). Any increase described in your narrative must be itemized on your budget spreadsheet (see question 6 below).

The Office of the Vice President for Student Affairs (VPSA) respectfully declines the invitation to request any increase in the VPSA Operations budgeted index for the 2019-2020 fiscal year.

6. Complete the attached spreadsheet outlining your overall budget and any requested increase. Each requested increase described in your narrative (see question 5 above) should correspond to the line items in the spreadsheet column "19-20 Change."
